Who are the clubs run by?

FREE clubs are led by school staff on a voluntary basis. Paid clubs are also on offer from staff members and outside agencies. (Please see below for further information.)

How do I book my child onto a free club?

Login to the school parents evening system at <https://deddington.schoolcloud.co.uk> and then go to 'club sign up'. If the club is full, you will be notified that you have been put onto the waiting list.

When does booking open and close?

To book for Term 3 and Term 4, booking opens **Monday 6th January 9am and closes on Friday 10th January 6pm**

What do I do if my child is unable to attend or no longer wishes to take part?

If your child is unwell or cannot attend the club for any other reason, it is essential that parents notify the adult running the club. If your child no longer wants to take part in a club, please notify the adult running the club so they can offer the place to a pupil on the waiting list.

Where will I collect my child after the club finishes?

After clubs, children should be collected from the main school gate by a known adult (unless permission has been given for the child to walk home alone); children not collected on time will be taken to our High Flyers after school provision and will be charged accordingly.

What other clubs are on offer?

Additionally, you can pay for your child to take part in: High Flyers, Musical Theatre, Football, Spanish club or Ukulele. Please see details below and contact directly for details/to book:

We also have an exciting new 'Magical Maths' club! Please see flyer below for more information and sign up details.

Club Behaviour Contract

By providing extra-curricular clubs we intend to:

- Offer opportunities for fun and enjoyment through a range of activities.
- Extend and enhance learning.
- Encourage children to work cooperatively and across age groups.

Whilst attending clubs, children are expected to:

- Show the 3Bs: kindness to others; respect for their peers and adults leading the club and responsibility for equipment.
- Choose and participate in a variety of activities as directed by the club leader.
- Ask for help if needed.
- Appreciate that free clubs are led by staff *volunteering* their time .

If your child/ren have signed up to a club, parents are expected to:

- **Inform the club leader in advance if your child is unable to attend the club. To safeguard the children, it is vital for leaders know which children they will have on any given club date.**
- Check you have not double booked with another club. This can affect waiting lists.
- Ensure contact details are up to date in case a child needs to go collected early from a club due to behaviour or sickness.
- Check the start/finish times, start/finish dates and ensure they collect your child/ren accordingly.
- Discuss with club leader if your child has any additional needs to ensure the club is suitable and to enable sufficient support is provided if the child is entitled to 1:1 support during the school day (e.g. has an EHCP).

Whilst we expect all our children to behave appropriately when attending an after-school club, if behaviour is not appropriate it may be decided to exclude the child. The reasons and processes involved will be clearly explained to the child and their parent/carer.

Magical Maths is coming to Deddington Primary School!

Dear Parents/Carers,

Professor Poopenshtinken and his friends will be coming to **Deddington Primary School** to introduce a brand new after school club, designed to show your children just how much fun can be had with numbers!

Our fantastic after school clubs will help to boost your child's engagement and enjoyment in maths through really fun and challenging games, tricks and activities.

This **10 week Spring Term** club begins **Tuesday 14th January** for **Year 3 - 6 pupils only** and is priced at just **£80.00**. To find out more or to book your child's place, visit our website www.magicalmathsclub.com or call us on **07960411706** but hurry as places are limited!

*We look forward to welcoming your children
for lots of Mathemagical fun!*

Brand New This Year:

Magical Maths Online is now **FREE** with every booking! Don't miss out on over 260 hours of interactive content designed to compliment our after school clubs and continue the fun and learning from home!
